TOURIST TRAVEL.

Sir,

In continuation of this Ministry's letter No. F. 100 (43) G—48, dated the 21st September 1948, I am directed to say that His Majesty's Government in United Kingdom have made some relaxation in the arrangements for tourist travel for the twelve months beginning on the 1st May 1949. For this period the foreign currency allowance will be equivalent of £50 for adults and £35 for children under 15 years of age.

2 The currency allowance will be available for tourist travel in the following countries:—

Austria	The Netherlands
Belgium	Norway
Denmark (including the Faroe Islands)	Portugal
France	Spain
Italy	Sweden
Luxembourg	Switzerland

The responsibility of adding one or two countries to this list is still under consideration.

3 In the case of Switzerland total expenditure on tourist travel will be limited to, about £4.5 million for the twelve months.

4 Expenditure in Belgium and Luxembourg will be limited to £1.1 million for the twelve months and in order to enable the maximum number of people to visit those countries the Belgium and Luxembourg authorities have decided to limit the amount which individuals may spend in the two countries to £35 for adults and £25 for children under 15.

5 The detailed arrangements for travel to Switzerland, Belgium and Luxembourg will be announced very shortly.

6 The car allowance formerly available to tourist will also be restored. An extra allowance of currency equivalent to a maximum of £10 per cent will be allowed to private motorists

to enable them to travel, to their destination by car instead by train. This is an alternative to the present arrangement which will of course continue whereby a traveller is permitted to pay his return fare in sterling outside the basis travel allowance.

Yours faithfully,

Sd.....

Under Secretary
to the Government of India.
